## **NATIONAL SERVICE SCHEME**

### **1. INTRODUCTION**

National Service Scheme popularly known as NSS was launched in Mahatma Gandhi Centenary year 1969 and aimed to developing student's personality through community service. The overall objective of National Service is education. This objective is attained through the service to the community.

National Service Scheme (NSS) is a permanent youth Programmed under the Ministry of Youth Affairs and Sports, Government of India and funded by Government of Tamilnadu and Government of India in the ratio 5:7.

- Understand themselves in relation to their community.
- Identify the needs and problems of the community and involve them in problem solving process.
- Develop among themselves a sense of social and civic responsibility.

### **3. MOTTO**

The motto or watchword of the NSS is “**Not me but you**”. It underlines that the welfare of an individual is ultimately dependent on the welfare of society on the whole. This express the essence of democratic living and upholds the need of selfless service and appreciation of the other man's point of view and also consideration for fellow human beings.

#### 4. SYMBOL

The symbol of the National Service Scheme has been based on the **Giant Rath Wheel** of the world famous Konark Sun Temple of Orissa, India. These giant wheels of the sun temple portrays the cycles of creation, preservation and release and signify the movement in life across time and space. The design of the symbol, a simplified form of the Sun Chariot wheel primarily depicts movement. The wheel signifies the progressive cycle of life. It stands for continuity as well as change and implies the continuous striving of NSS for social transformation and enlistment.

#### 5. BADGE

The NSS symbol is embossed on the NSS badge. The NSS volunteers wear it while undertaking any programme or community service. The konark wheel in the symbol has eight bars, which represent the 24 hours of the day. Hence, the badge reminds the wearer to be in readiness for the service of the nation round the clock i.e. for 24 hours. The Red Color in the badge indicates that the NSS volunteers are full of young blood i.e. lively, active, energetic and full of high spirit. The Navy Blue Color indicates the cosmos of which the NSS is a tiny part, ready to contribute its share for the welfare of the mankind.

#### 6. NSS DAY

NSS was formally launched on 24th September 1969, the birth Centenary year of Father of Nation. Therefore, 24 September is celebrated every year as NSS Day with appropriate program and activities.

### **WHAT ARE THE BENEFITS OF JOINING NSS IN COLLEGE?**

1. **Discipline:** during the camp, you are given a fixed schedule and it requires you to wake up at 5, followed by exercise and so on. Having a routine induces discipline in your day to day life.
2. Understanding **ground realities:** living in the comforts of our homes we fail to realize grassroots level problems. Once you get exposed or when you are assigned task which involves physical work you realize it is not as easy as it sounds.
3. You learn to work as a **team:** several teams are formed and you are assigned different tasks or games based on this.
4. **Time management:** every task is given a fixed time within which you have to complete it. Tasks and games includes skit, mime, debates, newspaper making etc.
5. You get rid of **stage fear:** here, you get a lot of opportunities to perform in stage whether it dance, music etc.
6. You make a lot of **friends:** last but not the least, staying together for 7 days and working as a team will let you have awesome friends.
7. You'll have a lot of **fun:** field trips, games, camp fire and other activities make the camp memorable.
8. **Sharing is caring:** you have your food together often sharing your plate with two or three.
